Dear Friend,

What a great summer this has been! I'm looking forward to going on vacation (again) next week to Killarney (the one in Ontario, not Ireland).

This is one of my very favourite spots – beautiful lakes, rugged landscape with pink granite and white quartzite mountains and windswept pines. We've rented the same cabin at Killarney for four years now, and it's always a relaxing and rejuvenating experience.

Before I start getting back into vacation mode, I want to make sure you have this issue of The Prosperous Healer™. This week's Ask Mary audio feature relates to transitioning from an existing job into your healing business.

May it provide you with inspiration and insight to help you move forward with ease and joy!

Love and Success,

Mary C. Davis

Ask Mary

Question:

"I completed my training as a spiritual psychotherapist part-time, while working full-time in another field. I really, really want to quit my job and launch my healing practice, but I'm terrified of leaving the financial security of a steady job behind.

How can I break through the feelings of stuckness I'm experiencing, and what do I need to put in place to help me move forward with this transition?"
